Hartsel Chemistry 454-UWEC

Hi r/Biochemistry, I am really sorry to bother you with one of those generic "exam/homework help" posts, but I'm a little desperate. I have my ACS Biochemistry exam this week and I would love to know if there are any solid study guides out there. I tried looking everywhere, but it seems most of them are put together by people who had just taken the exam that morning or by randomly guessing.
