would find this book relevant to their needs, then they are likely to be out of a job if using that language in the workplace.

## **Business Across Cultures: Effective Communication ...**

Communicating across cultures is challenging. Each culture has set rules that its members take for granted. Few of us are aware of our own cultural biases because cultural imprinting is begun at a very early age. And while some of a culture's knowledge, rules, beliefs, values, phobias, and anxieties are taught explicitly,...
