## Historiography And Theories Of History

The term historiography also refers to the theory and history of historical writing. Modern historians aim to reconstruct a record of human activities and to achieve a more profound understanding of them.

## historiography | Definition, History, Branches ...

Historiography is the study of the methods of historians in developing history as an academic discipline, and by extension is any body of historical work on a particular subject. The historiography of a specific topic covers how historians have studied that topic using particular sources, techniques, and theoretical approaches.

The historiography of science is the study of the history and methodology of the sub-discipline of history, known as the history of science, including its disciplinary aspects and practices and to the study of its own historical development. Since historiographical debates regarding the proper method for the study of the history of science are sometimes difficult to demarcate from historical controversies regarding the very course of science, it is often the case that the early controversies of
